E

Who's to say what's impossible?

F#m

Well they forgot this world keeps spinning,

E

And with each new day

F#m

I can feel a change in everything.

E

And as the surface breaks reflections fade,

F#m

But in some ways they remain the same.

E

And as my mind begins to spread its wings,

F#m

There's no stopping curiosity.

E F#m

I want to turn the whole thing upside down.

A B E F#m

All finer things they say just can't be found.

A B E F#m

I'll share this love I find with everyone.

A B E F#m

We'll sing and dance to Mother Nature's songs.

A B

I don't want this feeling to go away.

E
Who's to say I can't do everything?

F#m
Well I can try.

E
And as I roll along I begin to find,

F#m
Things aren't always just what they seem.

E F#m
I want to turn the whole thing upside down.

A B E F#m
All finer things they say just can't be found.

A B
This world keeps spinning and there's.

G#m F#m
No time to waste.

G#m F#m B
Well it all keeps spinning spinning round and round and

E F#m
Upside down
