Nickelback - Lullaby
(capo 4)

Intro

Am Cadd9 G D
|-----|-----|-----|-----| (x3)

Am Cadd9
Well I know the feeling
G D
Of finding yourself stuck out on the ledge,
Am Cadd9
And there ain't no healing
G D
From cutting yourself with the jagged edge.

Am Cadd9
I'm telling you that its never that bad.
G D
Take it from someone whose been where you're at:
Am/C
Laid out on the floor and your not sure
D
You can take this anymore.

Am Cadd9
So just give it one more try to a lullaby
G D
And turn this up on the radio
Am Cadd9
If you can hear me now I'm reaching out
G D
To let you know that you're not alone
Am Cadd9
And you can't tell I'm scared as hell
G D
Cause I can't get you on the telephone
Am/C D
So just close your eyes (close your eyes)
Am Cadd9
Well honey here comes a lullaby
G D
Your very own lullaby

Am Cadd9
 Please let me take you
G D
 Out of the darkness and into the light,
Am Cadd9
 Cause I have faith in you
G D
 That you're gonna make it through another night.
Am C
 Stop thinking about the easy way out
G D
 There's no need to go and blow the candle out,
Am/C
 Because you're not done you're far too young
D
 And the best is yet to come.

Am Cadd9
So just give it one more try to a lullaby
G D
And turn this up on the radio
Am Cadd9
If you can hear me now I'm reaching out
G D
To let you know that you're not alone
Am Cadd9
And you can't tell I'm scared as hell
G D
Cause I can't get you on the telephone
Am/C D
So just close your eyes (close your eyes)
Am Cadd9
Well honey here comes a lullaby
G D
Your very own lullaby

G
 Well everybody's hit the bottom,
Em
 And everybody's been forgotten
Cadd9
 When everybody's tired of being alone.
G
 Yeah everybody's been abandoned
Em
 And left a little empty handed.

Cadd9 **Dsus4** **D**
So if you're out there barely hanging on. . .

Am **Cadd9**
So just give it one more try to a lullaby
G **D**
